

Atascadero Youth Soccer

Providing rewarding recreational soccer opportunities for our local youth.

Dear Friend:

We are excited to announce that youth soccer is back in Atascadero! It has been a long wait and the kids have been patient, but the world is ready so we will once again have soccer this fall! We need your help to make it possible.

Atascadero Soccer has teamed up with the city and is being made possible by volunteer parents from our community! We are writing to you to invite you to join us as a sponsor of the program. Your support will help keep costs down and help to cover uniform, field and program expenses.

As a team sponsor, your business name will be on the back of the uniform jersey. We know that we will need approximately 40 businesses to step into this role. Field and Coach Shirt sponsors are limited and receive additional benefits (please see attached). All sponsors are appreciated as you take our program to the next level and help keep costs down to our families, making it possible for more youth to play the world's greatest sport!

With the Olympics just around the corner, we know there will be many young boys and girls watching and dreaming of one day representing the USA. Please help give them their start in their journey.

If you have any questions, please let me know by emailing arc@atascaderosoccer.org.

Thank you for your consideration,

Jody Watty
